

**Dr. George Agrios DPM Scholarship**

A scholarship of \$1,000 is available to current DPM students that demonstrate knowledge regarding the interdisciplinary nature of the Doctor of Plant Medicine degree.

The application deadline is **January 10, 2020**

Dr. George Agrios is recognized as the founder of the DPM degree. Dr. Agrios spent countless hours in the pursuit of an interdisciplinary degree that would integrate the spectrum of agricultural plant health fields to an understanding of how they interact in the field. Benefactors funding this scholarship want to recognize and support students that share the spirit in which the DPM degree was envisioned.

The first Dr. George Agrios Scholarship will be awarded at a BBQ Dinner on February 8, 2020 at the inaugural February Flora and Fauna Fest Annual Event.

E-mail completed applications to DPM Director, Dr. Amanda Hodges [achodges@ufl.edu](mailto:achodges@ufl.edu)
